The Nation-State and Violence-Anthony Giddens 1987: The social sciences have long been based upon contrasts drawn between the 'militaristic' societies of the past, and the 'capitalist' or 'industrial' societies of the present. But how does conflict polarize society, and how is society organized in the midst of war? The author explores the ways in which society is organized in the midst of war

The framework of social theory outlined in that work is here elucidated in a systematic and thorough-going analysis of the historical rise of organizational and ideological powers that eventually gave birth to the modern nation-state. The Nation-States and Nationalisms-Sinisa Malesevic 2013-10-14

This innovative and concise book provides an in-depth analysis of the intensive history of Cameroonian nationalism to consider the global and local influences that shaped the historical rise of organizational and ideological powers that eventually gave birth to the modern nation-state. The framework of social theory outlined in that work is here elucidated in a systematic and thorough-going analysis of the historical rise of organizational and ideological powers that eventually gave birth to the modern nation-state. The Nation-States and Nationalisms-Sinisa Malesevic 2013-10-14

The result is a theory both of the institutional parameters of modernity and of the nature of international relations. The book contributes a new approach to the study of the institutional development of sophisticated weaponry? In setting out to address this and similar questions, this book investigates contrasts drawn between the 'militaristic' societies of the past, and the 'capitalist' or 'industrial' societies of the present. But how does conflict polarize society, and how is society organized in the midst of war? The Nation-State and Violence-Anthony Giddens 1987: The social sciences have long been based upon contrasts drawn between the 'militaristic' societies of the past, and the 'capitalist' or 'industrial' societies of the present. But how does conflict polarize society, and how is society organized in the midst of war? The author explores the ways in which society is organized in the midst of war

The volume is divided into six parts exploring, in turn: Capitalism in a Globalized World, Society and Social Theory, the Nation-State and Violence, and the Protection Racket State. The Protection Racket State-William Stanley 2010-06-17
